

## GOLDEN JUBILEE CELEBRATIONS

The Golden Jubilee Celebrations, commenced in 2025, were envisioned as a year-long tribute to the institution's rich legacy of academic excellence, social commitment, and nation-building, inspired by the ideals of the great Quaide Milleth, Janab Alhaj M. Mohammed Ismail Sahib. The celebrations began with a series of meaningful and community-oriented initiatives, including a massive Walkathon, Blood Donation Camp, Health Camp, Inter school & Intercollegiate Competitions, and a Photo Exhibition, portraying the historic footprints of the versatile leader. The Quaide Milleth exhibition and outreach activities drew wide attention and were witnessed by school & College students and members of the general public, fostering awareness of the institution's legacy and values.

This momentous occasion gains greater significance as the Golden Jubilee year coincides with the 25 years of exemplary management tenure of our esteemed Secretary and Correspondent, Janab M. G. Dawood Miakhan Sahib grandson of Quaide Milleth Sahib. His visionary leadership, unwavering commitment to educational upliftment, and sustained efforts in strengthening academic, infrastructural, and student-centric initiatives have been instrumental in shaping the institution's steady growth and contemporary relevance. Under his stewardship, the college has continued to uphold its founding ideals while embracing innovation, inclusivity, and quality-driven practices.

The Valedictory Function stands as a celebration of collective achievement—honouring the dedicated contributions of the Management, faculty, staff and generations of students who have enriched the legacy of the institution. As we commemorate this historic milestone, we also reaffirm to continue nurturing responsible citizens and contributing meaningfully to society in the years to come.
