About the Programme:

The Internal Quality Assurance Cell (IQAC) in collaboration with the Placement Cell of Quaide Milleth College for Men organized a highly insightful guest lecture titled “Beyond Borders: Unlocking Global Education and Career Success” on 6th August 2025. This event was specially curated for the final year students, aiming to expose them to international education pathways and global career prospects. Her practical guidance and motivational talk helped students understand the legal, academic, and professional avenues available globally.

Objectives:

1. To create awareness among students about global education and career pathways.
2. To introduce students to the legal and educational procedures involved in studying and working abroad.
3. To encourage students to pursue international opportunities with confidence and preparation.
4. To promote the college's initiative to build career readiness and global competence.

Resource Person
