## **About the Programme**

On 21st August 2025, the Entrepreneurs Development Cell and Institution Innovation Cell of our college jointly celebrated World Entrepreneur's Day by organizing an engaging and informative event. As part of the celebration, an ignite session titled "Becoming Entrepreneurs: Turning Vision into Reality" was conducted.

The session was led by Dr. Rajeshwari Ilango, Proprietor of RUDIR Exports and District Resource Person (DRP) for MSME. Dr. Rajeshwari Ilango shared her valuable expertise on establishing startups through innovation. The resource person also provided in-depth insights into various central and state government loan schemes that offer subsidies for budding entrepreneurs, and explained the procedures to avail these benefits.

The program was highly interactive and witnessed the enthusiastic participation of around 110 final-year students. Participants gained practical knowledge and a clearer understanding of entrepreneurship, government support systems, and the steps involved in transforming innovative ideas into viable business ventures.

### **Objectives of the Program**

- To create awareness among students about entrepreneurship, innovation, and the support provided by government schemes for startups.

**Resource Persons:** Dr. Rajeshwari Ilango , Proprietor , RUDIR Exports, District Resource Person (DRP) -MSME.

**Total No. of Participants: 110**

## Program Out Come:

Participants gained a deeper understanding of the start-up ecosystem, including how to begin an entrepreneurial journey, the importance of innovation, and how to access government support and funding. The session successfully encouraged students to explore entrepreneurship as a potential career path.
