

The Quaide Milleth College for Men

PLACEMENT REPORT 2022-2023

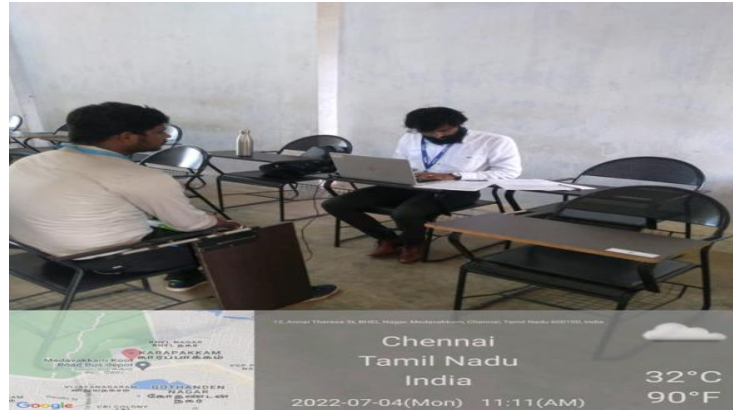

Placement Cell is always actively engaged in organizing programmes for enhancing employability skills and job-related soft skills through MOUs with various companies and exploring new career opportunities to students. To make a right start in our students' careers, a one-day Placement drive for HCL Company was conducted on 'The Quaide Milleth College for Men Campus on 4th July 2022. Students' registration commenced at 9:00 A.M. More than 150 (73-Shift: I, 94-Shift: II) students registered. The HCL HRs evinced great interest in recruiting our students. The college provided all facilities to the companies for conducting their recruitment and selection process for our students. The companies shortlisted a good number of candidates from the pool for various job profiles. The college received positive feedback from both the candidates and the HCL Company that participated in the fair. HCL Company Placement drive was a grand success.
